The screenshot displays the Bubble.io 'Apps' marketplace. On the left is a sidebar with a 'BUILD' section containing 'Apps' (selected), 'Build guides', 'Templates', and 'Plugins'. Below this is a 'QUICK LINKS' section with 'Marketplace', 'Academy', 'Forum', and 'Certification'. At the bottom of the sidebar is a promotional banner for 'Build professionally with an Agency account' which includes a close button, an icon of three people, and the text 'Create unlimited premium apps'. The main content area is titled 'Apps' and shows '2 Bubble apps'. It features a search bar labeled 'Search apps by ID' and a sort dropdown set to 'Sort by recently updated'. Two app cards are visible: 'Gluu.Repair' (Starter plan, last updated Jan 12, 2025) with a 'Live' button, and 'Gluu.Repair Test' (Try free upgrade for 2 weeks, last updated Dec 30, 2024) with a 'Copy' button. Both cards have a blue 'G' icon and a menu icon.
